## Happy Holidays!

### THE HOLIDAYS ARE HERE !!

We will continue our holiday decorating contest this year. The last three years have been a great success. The 3 best decorated homes in Monte Vista will each receive a \$25 Target gift card. Remember, to comply with the CCRs, decorations cannot be put up earlier than 30 days before the 12/25/2017 holiday, and they must be removed within 30 days after the 12/25/17 holiday. We will all be looking forward to coming home throughout the holiday season and enjoying our festively decorated community!!!

## Dusk to Dawn Lights

Please Remember to keep your dusk to dawn lights working. A well lit community helps deter crime and makes it safer when residents are out enjoying our beautiful southern Arizona evenings. The dusk to dawn lights are normally located above the address numbers. Please visit the website for more information.

### 2018 Board Meetings

**January 24, 2018**

**April 25, 2018 & Annual Meeting**

**July 25, 2018**

**October 24, 2018**

**All meeting are held at 6:30PM at the Lighthouse YMCA.**

**Front Doors:** Have you inspected your front door recently. There are several front doors in the community that are faded and/or sun damaged that are in need of refinishing. The Association will start sending notices in March of 2018 so please be sure to inspect your front door.

**The Board would like to thank the residents and owners who continually keep their houses and yards neat and clean. This not only promotes our property values, it shows our pride of living and owning in this community.**

## **2017 At a Glance**

-The exterior wall along Monte Vista and Walnut was painted as it looked bad with the numerous graffiti paint over spots. It will now be easier to keep it graffiti free and it looks really nice with a fresh coat of paint.

-We are still working to make Monte Vista a "Habitat at Home" community with the Tucson Audubon Society. If you are interested in making your property more bird friendly, please email Amanda at Copper Rose Community Management and she will email you the report with ideas on how you can make your property more bird friendly.

- Monte Vista had a good year financially with minimal delinquencies and the ability to stay within the budgeted costs. Because of this, the semi-annual assessments will remain the same. We appreciate all the owners who pay their assessments on time which minimizes the cost for reminder notices. Please visit the website for valuable information and resources. **Monte Vista is a great place to live and own. We appreciate all of our wonderful and thoughtful neighbors. Have a Happy Hanukkah, Merry Christmas and Happy New Year. Bill Sievers**

If you would like to make use of the convenience of autopay for your semi-annual HOA fee payments please contact Amanda at Copper Rose Community Management to discuss how to set it up.
