

MONTE VISTA HOMEOWNERS ASSOCIATION
Architectural Improvement Neighbor Approval Form

NEIGHBOR AWARENESS

You are required to obtain the signatures of your neighbors who own homes that will be affected by your request. Merely because a neighbor has consented to the modification or improvements does not mean the Architectural Committee will approve the application. However, in an effort to promote goodwill between neighbors, their signatures are required to indicate that they have been informed of your plans. Support or opposition to your plans may be made by any homeowner in writing.
